

MULTIMEDIA PROJECTORS

Full HD Ultra Short-Throw Projector

The Vivitek D7180HD is the ultimate short-throw projector with the world record shortest throw-ratio of 0.19:1, enabling perfect presentation for the presenter without incident light in the eyes and without shadows on the image. The D7180HD delivers a lot of brightness with 3400 ANSI lumens and an outstanding contrast ratio of 2500:1 for a perfect displayed image. Moreover, the Vivitek D7180HD has an impressive color reproduction and amazing performance thanks to DLP® BrilliantColor™ technologies. A stylish projector with powerful 10W built-in speaker and an assortment of connectivity options, including HDMI v1.3 for perfect digital image transmission and RJ-45 for network connectivity, the D7180HD is the ultimate short-throw projector for perfect presentations.

Features

- Native 1080p resolution with a bright 3400 ANSI Lumens
- Deliveries a large 86" to 97" image from a zero distance
- DLP[®] and BrilliantColor[™] technologies for detailed image quality
- 6 segment wheel for exceptional color reproduction
- High-efficiency lamps that last up to 4000 hours
- Network ready for integration and system administration via RJ45
- Powerful 10W audio speaker
- Convenient top-loading lamp replacement design
